- Frontend: HTML, CSS, TypeScript, React, Next.js, Bootstrap, TypeScript
- Backend: JavaScript, Python, C++, Java, C#, Asp.Net, PHP, Node.js, SQL
- Database: MySQL, PostgreSQL, Oracle, Microsoft SQL, MongoDB

PROJECTS:

Restaurant Management System-(JAVA) Source Code
Technologies Used: Java Language
- This Java-based application designed to streamline restaurant operations by providing an organized, user-friendly interface to manage orders, inventory, billing, and reservations.

Creative International School Management (Web Application) Source Code
Technologies Used: HTML, PHP, JavaScript, CSS, MySQL
- This project is designed to streamline school management processes by providing an intuitive, accessible platform for handling essential administrative tasks online.

Sports Shop Management System (C#) Source Code
Technologies Used: C#, .Net Framework, Oracle 10g
- This system is designed to automate and optimize the management of a sports shop by handling inventory, sales, customer data, and employee records, all within a user-friendly interface.

Volunteer Coordination and Management System (Web Application) Source Code
Technologies Used: Nest JS, Next JS, HTML, Tailwind CSS, and PostgreSQL
- This system is designed to simplify and streamline the process of managing volunteers for events and initiatives, providing a cohesive platform for both administrators and volunteers.

Hotel Management System (Web Application) Source Code
Technologies Used: HTML, PHP, JavaScript, CSS, MySQL
- Developed a dynamic and user-friendly Hotel Booking Management System leveraging modern web technologies.
- This project showcases strong web development expertise and demonstrates the ability to integrate.

Extra-Curricular & Scholarly Achievements:

- DEAN's LIST HONORS [AMERICAN INTERNATIONAL UNIVERSITY- BANGLADESH DEAN'S LIST HONORS, FST, BSc CSE]
- Academic Scholarship (AIUB).
- Cisco Networking Academy Cisco Networking Academy Issued Jun 2021
- Graphic Design Certification (SAMS IT CENTER)
- Inter School Cricket Certification (NGBHS)
- Transparency International Bangladesh Award Certificate (2017)
- Udvash Math Olympiad Certificate (2019)

INTERESTS:

Web Development • AI Automation • Software Quality Assurance • Full-Stack Development • Social Media Monitoring • Database Design and Management • Web Frameworks
